TM ProView

3D Home Evaluation

See Your Home in a Whole New Way.

The TM ProView gives you a clear, professional look at your home's condition, needs, and next steps - all in one place.

Home Care, Reimagined.

Why a ProView Benefits You

Smarter Home Care

A professional assessment of your home's condition and upcoming needs.

Proactive Maintenance

Understand your home's needs and stay ahead of potential issues.

Stay in Control

A personalized home plan helps you budget, schedule & maintain your home with confidence.

Support Your Home's Value

Keep your home well-maintained and better prepared for future upgrades or sale.

Real Savings for Homeowners

Save Time

Clear, prioritized recommendations, avoiding hours of research or multiple appointments for estimates.

Lower Your Costs

by identifying and addressing issues early, before they become major repairs.

Here's How the TM ProView Works

1 Schedule Your ProView

Choose a convenient time & schedule your evaluation through your Member Portfolio.

2 On-Site Visit

A Home Care Specialist arrives and performs your TM ProView.

3 Digital Assessment

In about 2 hours, we digitally assess each room & surrounding property including the yard & roof.

4 Home Wellness Review

Your Home Care Specialist will review your 3D evaluation results with you, giving you clear insights to help you maintain, upgrade, and care for your home.

ProView

The Future of Homeownership.
